

Making a Pledge Online

A Realm account is needed to make an online pledge to St. Mark's. If you would like to link to your personal Realm account, please send an email to Annick Milde at pfa@stmarks.net. Through your Realm account you can make a pledge and track your giving to St. Mark's, as well as update your contact information.

To submit your pledge online:

- 1) Log into Realm (from the St. Mark's website www.stmarks.net click on [Member Login](#) at the top).
- 2) On the left, choose Giving.
- 3) Click the +Pledge button and enter the amount of your pledge.

To set up automatic payments to fulfill your pledge:

- 1) Click Manage Payment Methods (in the upper-right corner) to add or confirm your payment method. You may use a bank account, debit card or credit card.
- 2) Click on +Gift to add a one-time or recurring gift. Select the correct Pledge fund (eg. 2024 Pledge), enter the amount and date of the gift. If the gift is recurring, you may select the frequency (such as monthly or quarterly).
